

Pré-estrofe – 0:40 a 0:58

Walking faster between the lines
incited by, no hopes inside
Shame on you, have in mind
It's easier, to shatter your pride

Estrofe 1 – 1:00 a 1:19

Drowned, in disgrace
I can't see the light
In the end we just fight
for our peace of mind

Refrão – 1:28 a 1:37

Running through your veins
the pleasure to devastate ...Abyss to Death!

1:38 a 1:47 sem cantar

Estrofe 3 – 1:48 a 2:06

Choices are dangerous things
They show who we really are
Death is just the next great adventure of life

2:07 a 2:16 sem cantar

Refrão – 2:17 a 2:34

Running through your veins
the pleasure to devastate ...Abyss to Death!

Solo 2:35 a 2:54

Estrofe 1 – 3:04 a 3:14

Drowned, in disgrace
I can't see the light
In the end we just fight
for our peace of mind

Refrão – 3:15 a 3:32

Running through your veins
the pleasure to devastate ...Abyss to Death!
