

Sinaya - Legion of Demons

He is coming
To rip your bones off
To burn your head
And squeeze your guts

He wants to possess you
And guide you through the evil's path
To give you to the devil's side
To baptize you in depths of Hell

It's time to sell your soul
Give up, you are hellish now
Burn in hell, rot in there
Wash your hands, in blood and sweat

Legion of demons

Demons
Legion of Demons
Demons
In Devil's Side

Demons
Legion of Demons
Demons
In Devil's Side

Open the gates of hell
And, call him Satan
Kiss his feet and thank him to be alive
You are part of the legion now!
